

EU Declaration of Conformity

This declaration of conformity is issued under the sole responsibility of:

**Certification Holder /
Manufacture** Gantner Pigeon Systems
Batloggstrasse 36
6780 Schruns
AUSTRIA

Product Designation BENZING M3

Product Description The BENZING M3 is a timing system for the pigeon racing sport. It stores all pigeon data and precisely times the arrivals of pigeons. It displays this data on a touchscreen. The arrivals itself are scanned with connected readers.

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation: Directive 2014/53/EU

Essential Requirement(s)	Applied Specification(s)/Standards	Result
